Winn-Dixie Stores Open Early for Senior Shoppers and High-Risk Customers
Neighborhood grocer continues support of community during COVID-19 pandemic

WHAT: Winn-Dixie stores announce further actions to better assist locals by opening all Alabama locations at 7 a.m. daily for senior citizens and high-risk customers to shop. The adjustment of opening hours from 8 a.m. – 7 a.m. follows last week's announcement of modified store hours amid the COVID-19 pandemic. With the adjusted hours, elderly and high-risk customers can comfortably purchase the essentials needed during the first hour of store operations in the safest environment Winn-Dixie can provide. All customers are asked to respect this time given to the elderly and other high-risk community members.

Alabama Winn-Dixie stores will close nightly at 8 p.m. to give associates the time needed to appropriately restock store shelves and ensure stores are able to conduct additional sanitation procedures.

7 a.m. – 8 a.m. is the designated special shopping hour dedicated to seniors and high-risk customers in all Alabama stores. Regular Store Hours are 7 a.m. – 8 p.m.

WHEN: Beginning Wednesday, March 25, 2020

WHERE: All Alabama Winn-Dixie Stores
Weekdays – Monday through Friday

WHY: Winn-Dixie continues to take steps needed to ensure everyone has the opportunity to provide the basic essentials for their families during these unprecedented times. Designating an hour of shopping for elderly and high-risk customers is another way to lessen the impact on the community and remind customers that we're stronger together.
