Charges for Subpoena Requests

Requests for pharmacy records are processed by a third party, Datavant, LLC

Response Time/Objections

Subpoenas for records are typically fulfilled within 20 business days after TWDC receives a properly served subpoena through its registered agent; however, response times may vary depending upon the scope of the subpoena and the types of records requested. TWDC reserves the right to object to subpoenas that are overly broad, unduly burdensome, vague, or that implicate privacy, privilege, or other legal concerns.
