This offer can only be redeemed once per member account per day. To qualify for this offer, you must (1) be a fully enrolled SE Grocers rewards member and (2) swipe your SE Grocers rewards card at the pump or enter your 14-digit alt id. When you swipe your SE Grocers rewards card or enter your 14-digit alt id at the pump, you will be enrolled in the Fuel Rewards program, if you are not enrolled already, and will earn an additional 5¢/gallon bonus reward along with your 5¢ Shell Gold status to give you 10¢ savings. The additional savings reward is good for a single fill-up on up to 20 gallons only at participating Shell fuel stations. The 5¢ bonus reward can be combined with other rewards in your Fuel Rewards account including Shell Gold status offered to SE Grocers rewards members. If there are points in your rewards account, they will be redeemed with this offer. SE Grocers rewards points that are available for the customer to be redeemed will be stacked with this bonus offer when (1) Choice is available at the pump and customer selects to use rewards accumulated from any Southeastern Grocers store or (2) Choice at the pump is not available and the customer will not have the option to deny the use of points for that transaction. Please see details at <https://www.fuelrewards.com/seg-terms> for more information on redeeming SE Grocer rewards points at the pump.

The Fuel Rewards savings earned through this offer expire on 11:59pm CST on each day listed above. Fuel Rewards® savings are limited to 20 gallons of fuel per purchase, per vehicle, or fraud limits placed by Shell and/or limits placed on your financial card by your financial institution, each of which may be lower. Fuel Rewards® savings must be redeemed in a single transaction. Once you begin to dispense fuel using your Fuel Rewards® savings, you must dispense to the 20-gallon limit or you forfeit any remaining discounted gallons of fuel. For example, if you only pump fifteen (15) gallons of fuel, you would abandon the remaining five (5) gallons of discounted fuel. If you have a rewards balance greater than the current per-gallon price of fuel, the price will roll down to the maximum capability of the fuel equipment, and your remaining rewards will be saved for a future fuel purchase. Dispenser may require a price of up to 10.9¢/gal. It may not be possible to combine multiple discounts and/or rewards in a single transaction. For purchases of \$75 or more, please go inside to pay. Unbranded diesel and alternative fuels may not be eligible. The Fuel Rewards® program is owned and operated by Excentus Corporation. Offer may be modified or discontinued at any time without notice. Not valid where prohibited by law. Please see fuelrewards.com for complete Fuel Rewards® program details and Terms and Conditions. Other restrictions may apply.
